EIGHT THOUSAND

Dollars the Receipts in War Revenue Taxes Yesterday.

CHECK STAMPS NEARLY GONE

AND THE SUPPLY AT PARKERSBURG ENTIRELY EXHAUSTED. 35,000 OF THE CHECK STAMPS WERE SOLD IN WHEELING THURSDAY—ADDITIONAL DENOMINATIONS OF THE DOCUMENTARY STAMPS WILL BE RECEIVED THIS MORNING.

The war revenue law became effective at 12:01 o'clock this morning, and the first of the stamps used in Wheeling was a one-cent documentary stamp placed on a special telegram sent from the Intelligencer office at 12:05 o'clock this morning.

There was an uninterrupted rush at the local internal revenue office yesterday, business men laying in a small supply of the several kinds of stamps which the revenue law provides that they must use on checks, medicines, telegrams, telephone messages, deeds, mortgages, etc. Most of the purchasers were anxious to buy in large lots, but Stamp Agent Alex. R. Campbell was compelled to limit the sales to small amounts, for the reason that he had received an inadequate supply of the stamps. Notwithstanding this fact, the sales on Thursday aggregated over \$5,000, and in addition the receipts on special licenses, provided for in the war revenue act, aggregated over \$3,000, making the total receipts for the day more than \$8,000, possibly the largest amount ever taken in at the Wheeling internal revenue office. The demand for the two-cent documentary stamps, the denomination which is required for bank checks, was particularly heavy, and the sales of the day were over \$5,000. Mr. Campbell stated last night that only 800 of these stamps now remain on hand, and a telegram to Collector White, at Parkersburg, asking for more of them, elicited the reply that the stock was already entirely exhausted. To-day the one-cent documentary stamps will be sold, and on checks two of these will be placed. This morning additional denominations of the documentary stamps will be received here, including the twenty-five and fifty cent and \$1 styles. These are for use on deeds, mortgages, etc.

A DAY OF WEATHER.

The Highest Temperature of the Year was Recorded Yesterday—Some of the Mills Had to suspend at Noon on Account of the Extreme Heat.

HOTTEST OF THE YEAR.
Hour. Temp. Hour. Temp.
7 a. m. 75 3 p. m. 95
8 a. m. 79 4 p. m. 95
9 a. m. 82 5 p. m. 94
10 a. m. 84 6 p. m. 94
11 a. m. 86 7 p. m. 94
Noon 91 8 p. m. 92
1 p. m. 94 9 p. m. 90
2 p. m. 94 10 p. m. 90

Thursday was a day of weather—hot weather—exceedingly hot weather, and if the mercury will kindly remain below the nineties to-day there will be no regret expressed in any quarter. On the contrary, the average citizen will feel profoundly thankful. The highest temperature of the year was reached shortly after 3 o'clock, when the government thermometer at Schnepf's reached the 95 mark. The temperature did not materially lessen until late in the night, and it is likely Friday will be another very warm day.

PAINT SHOP EXPLOSION

At Charles Moore's Place—Jacob Reineke Badly Injured.

About 11 o'clock yesterday morning there occurred an explosion, supposed to be from natural gas, at Charles Moore's paint shop, 235 Main street. The building was wrecked, several barrels of oil were consumed, and Jacob Reineke, who was working in the shop at the time, was seriously burned. The fire was extinguished by the South Side fire companies.

Mr. Moore manufactures roof paint for the Wheeling Corrugating Company, and this building, a one-story structure, was devoted to that purpose. It was filled with oils, turpentine and other highly inflammable material, and while the explosion may have been caused from spontaneous combustion, it is thought more than likely that it was due to natural gas, the fuel used in the furnace used for boiling the paint. The report of the explosion was heard for some distance.

Reineke was removed to his home, on South Chapline street. His serious burns were about his face. Dr. D. H. Taylor attended him, and it is thought Reineke will recover.

THE HUB—CLOTHING AND FURNISHES.

A Plain Statement

Of facts as they are. We have come to the forks of the road. Shall we sink principle—decency—business integrity and follow the crowd down the dangerous lane of cheapness? Or shall we keep on along the avenue of quality that we've been traveling these many years? It doesn't take us a minute to make up our minds. Quality shall rule this store in the future as it has in the past. We cannot afford to turn traitor to the confidence of a community that has rewarded us because of our fidelity. We are not tutored in underhand methods. We will not play the role of commercial hypocrites. We'll stand by our colors.

WE'LL GIVE WHEELING ONE CLOTHING STORE WHERE A DOLLAR HAS A STANDARD—WHERE VALUE IS A QUALITY—WHERE HONESTY OF WORD AND DEED IS THE RULE.

The shoddy that's made for the sensational mongers has no place on our counters—shall never be dignified with a HUB label. We shall sell clothing that is worthy of the name—worthy of your fullest faith—worthy of us. We know we are on the right track. Our increased business this season over all previous ones has demonstrated this fact, and such encouragement in the face of an epidemic of fakeism reassures us—speaks your appreciation of worth and your disgust with the worthless—and gets us still firmer in our determination to stand by quality through thick and thin.
